

Errata to
Random Walks, Capacity and Percolation on Trees

Ann. Probab. **20** (1992), 2043–2088

by RUSSELL LYONS

On page 2050, the left-hand inequality of Theorem 2.3 should have $\mu_0(E)^2$ in place of $\mu_0(E)$.

On page 2070, line –10, there is an equals sign missing. On line –6, change “*degree* $d_\sigma + 1$ ” to “ *d_σ children*”.

On page 2071, line –1, the expectation should be conditional on $L_{n,i}^* \neq 0$.
